The Joy of

Data-Driven Travel

Viewing the world from the Instagram perspective

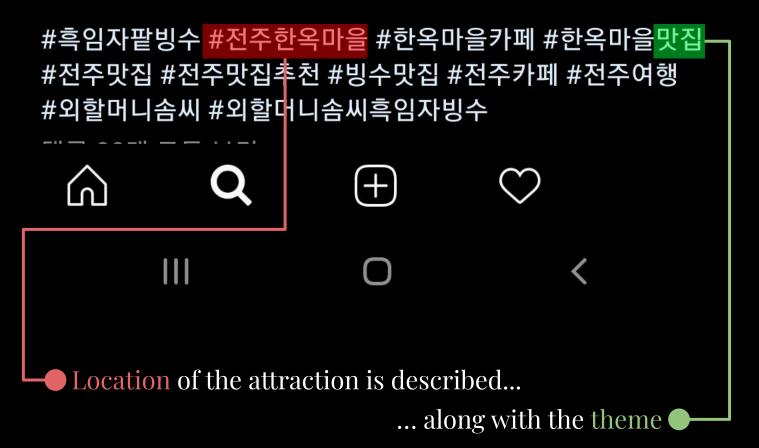

There is one hope:

Example Results

(but based on themes, etc, of course.)

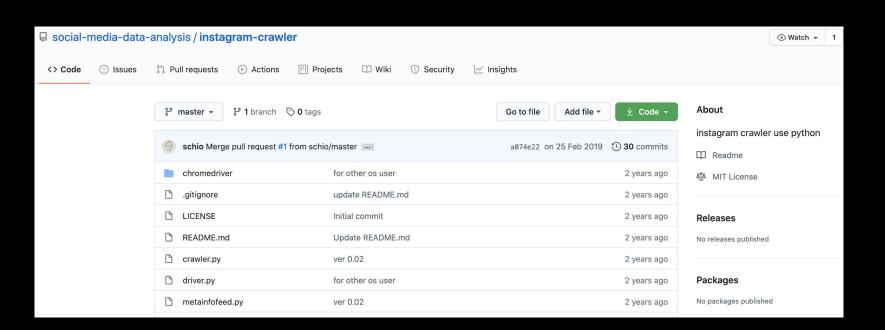

Methodology

Relationship analysis, and others

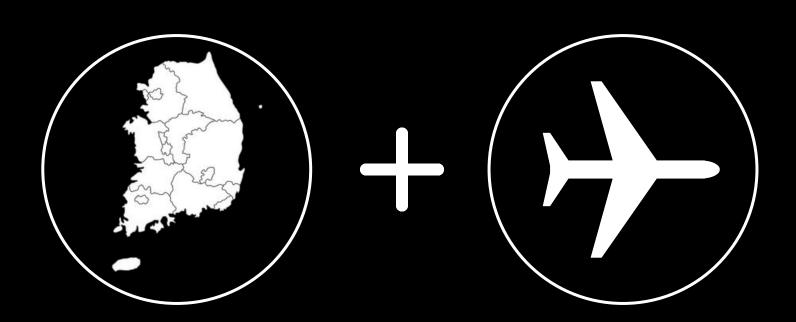

Getting the Data

(spoiler alert: there's a crawler already)

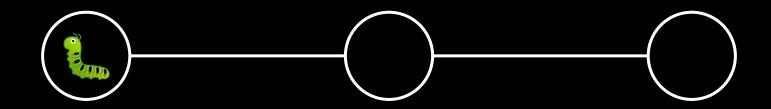

Getting the Data

An emphasis on **Korea** and **tourism**

Project Plan

Week 1.
Data Crawling.

Week 2. Visualization. Week 3. Statistical Tests.
